MEMORANDUM FOR THE RECORD

SUBJECT: Public Buildings Amendments of 1972 - P.L. 92-313

STATINTL  
STATINTL  
Talked with both Jack Blake and [REDACTED] following review of [REDACTED] discussion of the above subject with OMB. In substance, [REDACTED] reports that OMB sees no basis whereby the Agency could be excluded from the operation of the new Public Buildings Amendments and specifically it would be required to pay the value of commuted rent. Under the circumstances, neither Blake nor Chuck Briggs, as reported by [REDACTED] saw any need to take any further action at this time. Mr. Colby's office was informed of this position by a buckslip to [REDACTED] Therefore, this matter can be regarded as a closed issue. STATINTL
